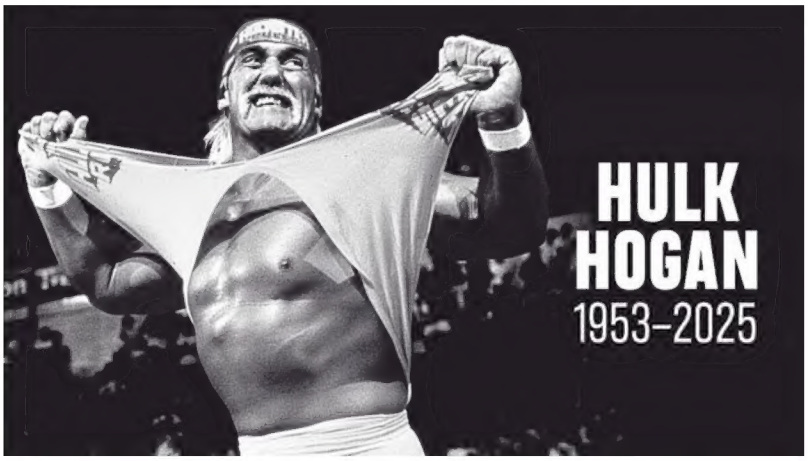
Hulkamania Will Live Forever: A Tribute To Hulk Hogan!!!

July 26, 2025



Before we go on our, hopefully, brief hiatus we couldn't go off grid without mentioning the recent passing of one of Pro Wrestling's most iconic, and charismatic, figures Hulk Hogan.

To say that Hogan, real name Terry Bollea, didn't have his controversies would be the understatement of the decade however if you grew up watching Wrestling, in the 80's and 90's, it would be difficult to ignore Hogan's impact on the business and his mainstream appeal throughout that time.

Seeing people you grew up watching on television, and who played big parts in something you love, pass away is always hard and Hogan's passing is a difficult one for all of us at R.A.W Media.

We wish to remember the Hulk Hogan that changed Pro Wrestling forever. The man that main evented the inaugural 'Wrestlemania', slammed Andre The Giant, created the New World Order and had one of the greatest comebacks, of all time, in the early 00's.

Without Hulk Hogan, it would be safe to say, many of us would not be watching this, at times, crazy world of Professional Wrestling and for that we truly say thank you.

From New Japan, AWA, WWF/E, WCW, TNA Wrestling and countless other promotions, and territories Hogan competed in, he always captivated the audience with his undeniable charisma.

On July 24th, 2025, a piece of our childhood died but as all true Wrestling fans know...Hulkamania will live forever!!!

Thank you for the passion, dedication and memories Hulk!!!
